THE MAGICAL
MÖBIUS
STRIP!
LIM...
HEY... PSSST... CELINE WE'RE ON.
GOOD EVENING, I AM TUCKER THE PECULIAR. COADJUTANT TO...
THE GREAT CELINIE!
BEHOLD! FOR TONIGHT I BRING YOU THE MYSTICAL MÖBIUS STRIP!
AHEM... TUCKER THE PAPER PLEASE!
USING AN ORDINARY NEWSPAPER RIP A 3 INCH STRIP!
TUCKER!
CAN YOU ATTEST THAT IT IS JUST REGULAR PULP?
I CAN!
NOW IF YOU WILL, CAN YOU PLEASE TWIST ONE END OVER AND CONNECT IT TO THE OTHER SIDE USING TAPE?
WITNESS LADIES AND GENTLEMEN THE CURIOUS MÖBIUS STRIP!
IT IS CHIRAL, A SURFACE WITH ONLY ONE SIDE, AND ONE BOUNDARY!
AND NOW THE GRAND FINALE! PREPARE TO HAVE YOUR MIND BLOWN!
OBSERVE TUCKER!
HE'S USING ONLY A PAIR OF SCISSORS TO CUT THE MOBIUS STRIP!
EXACTLY LIKE SO! CUTTING A THIRD OF THE WIDTH ALONG THE EDGE!
KEEP CUTTING...
UNTIL YOU MEET THE STARTING POINT OF YOUR CUT!
PLEASE TUCKER! HOLD UP WHAT YOU'VE CREATED!
IT'S NOW TWO PEICES OF PAPER LINKED LIKE A CHAIN!
BUT HOW?
MAGIC!
TUCKER MAGIC!
THANK YOU.
