

Chatterbox

1. Take the double envelope base and fold its two opposite flaps in the middle. These two triangles will make the upper and lower halves of the chatterbox's face.

2. Crease along the middle line and draw the face.

3. Slip your thumb under the upper half of the face and pinch the centre crease, so that the nose stands out. Pinch the bottom centre crease too.

4. Hold the side corners with the thumb and index fingers of both your hands so that the two halves of the face are brought together. By moving your hands you will be able to make the chatterbox chatter.
